

The Northern Kentucky Tri-County Economic Development Corporation (Tri-ED) blends public and private funds to enhance the business climate in and foster regional cooperation among Boone, Campbell and Kenton counties. We market and promote Northern Kentucky on a national and international basis as a desirable location for new or expanding businesses, and we assist existing local companies to expand operations and grow their customer base.

Since its founding in 1987, Northern Kentucky Tri-ED has led the successful relocation or expansion efforts for 670 business projects, representing more than 67,000 primary industry jobs created with a capital investment of more than \$8.4 billion.

Northern Kentucky is home to more than 550 primary industry companies which represent a strong diversity of industry and innovation.
