Northern KY Tri-ED is a great first stop when considering locating, re-locating or expanding a business in Northern Kentucky. Tri-ED can provide assistance with everything from site identification and selection to expansion of an existing business. Along the way, Tri-ED provides ongoing services and support to help businesses sustain and grow.

“We’ve added important infrastructure, capacity and new jobs to the region with a \$280 million expansion at our CVG Hub, the backbone of our Americas network.”

Joanie Arias, General Manager/Vice President, DHL North American Hub

Our [BR&E Program](#) is a free resource that connects existing businesses with solutions to sustain operations and accelerate growth — from identifying potential tax incentives and workforce recruiting grants to making connections with regional partners. It’s a two-time winner of the International Economic Development Council’s Excellence in Economic Development Award.

Connect with us, and we’ll connect you throughout Greater Cincinnati and beyond.
