These federal, state, local and corporate resources can provide information and assistance to companies and employees in the Northern Kentucky region and commonwealth of Kentucky in response to COVID-19 and as states begin to reopen their economies.

Tri-ED is committed to supporting and serving our clients and Northern Kentucky businesses in partnership with our communities. We are working to measure the economic impact of the pandemic on the Northern Kentucky business community and we would appreciate you completing a brief online survey <https://nkyusa.wpengine.com/nky-company-survey/>. It will take less than 10 minutes to complete.

We encourage you to reach out to our team if we can be of assistance. Our contact information is available [here](#).
