A number of powerhouse American and international companies have chosen to locate manufacturing, distribution, logistics and office centers in Northern Kentucky, including Amazon, Bosch, Citi, DHL, Mubea and WILD Flavors.

“Tri-ED helped us consolidate our business operations into one central location in Covington that will be more efficient and cost effective.”

Tim Schroeder, CEO of CTI Clinical Trial & Consulting Services

We're a key part of the 15-county Greater Cincinnati region, currently rated #4 in Site Selection's ranking of Top U.S. Metros. We offer access to nine Fortune 500 companies as well as a significant entrepreneurial ecosystem, and we bring together business, government and education partners to train a new generation of workforce talent.

Northern Kentucky connects the north and south, the Midwest and Southeast, and offers a welcoming and globally competitive business climate built on trusted relationships.

Connect with us, and we'll connect you throughout Greater Cincinnati and beyond.
